INTERSCHOOL GYMNASTICS CHAMPIONSHIP 2025 – FMS BOYS

FMS is delighted to share that our boys' team achieved 1st position at the 5th Inter-School Gymnastics Championship 2025. The event included participation from several leading schools and was attended by Mr. Gohar Raza, Ex-Olympian (Athletics), as the Chief Guest.

FRUIT DAY CELEBRATION – FMS I, II & III

FMS I, II, and III held a Fruit Day Celebration where students engaged in tasting and sensory activities to explore a variety of fruits. Through observing colors, shapes, and flavors, they strengthened their descriptive and observation skills. The activity encouraged healthy eating habits and provided a meaningful hands-on learning experience in an enjoyable setting.

EXPLORING TYPES OF HOUSES IN GRADE 1

Grade 1 students took part in an engaging lesson on different types of houses and how homes vary according to climate, environment, and human needs. A simple timeline of shelters—from early dwellings to present-day homes—helped them see how living styles have changed over the years.

Through discussion and observation, students also reflected on why a house is essential for safety, comfort, and protection. The activity encouraged curiosity about how people adapt their homes to suit different weather conditions

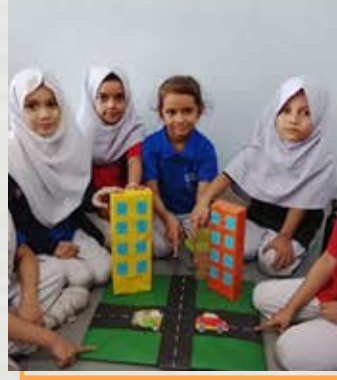

STUDENT ASSEMBLY PRESENTATIONS

Our recent student assemblies brought lively presentations on a range of topics. Students spoke, performed, and shared what they've been learning, giving them a chance to express themselves confidently. The experience helped them build communication skills, work together, and enjoy bringing classroom ideas to the stage.

EXPLORING VILLAGES AND CITIES IN GRADE 2

Grade 2 students enjoyed discovering the differences between village and city life through a hands-on activity. Working in groups, they built small models of homes, markets, transport, and community spaces. While creating their displays, they noticed how cities offer busy streets and many facilities, whereas villages are known for greenery, fresh air, and a slower pace.

It was a lively blend of teamwork, creativity, and learning about two distinct ways of living.

WELCOMING PARENTS OF GRADE 1 & 2

The school hosted an orientation for Grade 1 and 2 parents, offering an overview of curriculum plans, assessment updates, and learning expectations for the year. Parents joined in with interest and expressed their appreciation for the school's continued focus on student growth.

The session provided a warm space for dialogue and helped strengthen the connection between home and school.

INTERNAL MONTESSORI TRAINING AT FMS I, II & III

Teachers participated in dedicated Montessori training sessions aimed at strengthening classroom practices. The sessions covered material use, activity planning, and strategies to support meaningful student engagement. This initiative helps ensure a consistent and high-quality learning experience across all FMS Montessori sections.

At the 20th Inter-School English and Urdu Speech Competition at Ghulaman-e-Abbas School, FBS participants delivered confident and articulate speeches, securing fifth place among fifteen schools and showcasing commendable effort and dedication.

EXPLORING SCIENCE AT TDF MAGNIFY CENTRE

Students from Grades VII to X enjoyed an enriching visit to the TDF Magnify Science Centre. Interactive exhibits and hands-on experiments helped science come alive, sparking curiosity and strengthening students' interest in technology and discovery.

FUN AND FRIENDSHIP AT SINDBAD FIELD TRIP

Students enjoyed a cheerful and memorable outing to Sindbad Amusement Park, where exciting rides and shared experiences created lasting memories. The trip strengthened friendships and provided a refreshing break from classroom routines.

URDU SKILLS STRENGTHENED THROUGH IQBAL-THEMED STUDIES

Daily language practice supported steady improvement in Urdu reading and writing. Spelling and pronunciation activities, along with Iqbal Day-related texts and vocabulary, helped students appreciate literary depth while improving comprehension skills.

LIBRARY & CONVERSATION CLASSES BUILD COMMUNICATION SKILLS

Library periods enhanced reading fluency as students explored books under teacher guidance. Conversation classes—including dialogue telepathy, scenario-based exchanges, and short plot presentations—boosted speaking confidence and helped students express ideas clearly.

DIGITAL LEARNING ENHANCES ACADEMIC UNDERSTANDING

Digital classes supported lesson clarity by offering visual explanations and interactive resources. These sessions helped students catch up on missed concepts and stay aligned with ongoing academic progress.

VALUE INTEGRATION EMBEDDED IN DAILY LEARNING

Core values were naturally incorporated into daily lessons through simple activities and short worksheets. These tasks encouraged positive thinking, responsible behavior, and meaningful links between academic learning and real-life values.

A CONSISTENT ROUTINE LEADS TO STEADY ACADEMIC PROGRESS

Regular written work, guided practice, and reinforcement exercises continued throughout the month. The steady routine contributed to a productive and balanced academic period for all students.

PROFESSIONAL DEVELOPMENT DEPARTMENT-PDT

MONTHLY ACADEMIC & TRAINING UPDATE

The Professional Development Team is dedicated to promoting academic excellence, empowering teachers, and ensuring student success through ongoing innovation and support.

TEACHER NEEDS ANALYSIS CONDUCTED AT FBS & FGS

The PD&QA department recently carried out a comprehensive Teacher Needs Analysis (TNA) across both FBS and FGS campuses. This initiative aimed to assess teachers' current knowledge and skill levels, ensuring alignment with Cambridge standards and teaching methodologies. The findings will inform targeted professional development programs aimed at enhancing instructional practices and improving student outcomes.

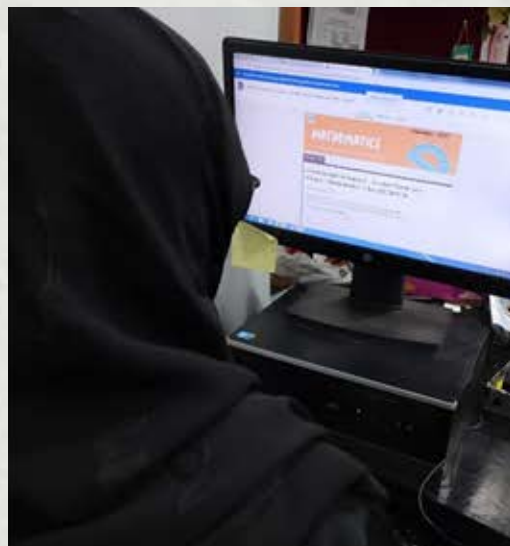

MONTHLY NOTEBOOK REVIEW FOR QUALITY ASSURANCE AND OBSERVATIONS

A monthly review of student notebooks was conducted to ensure alignment with Cambridge standards and monitor progress. The process provided valuable insights into teaching effectiveness and student engagement, supporting ongoing improvement.

MONTHLY INDUCTION TESTING & SCREENING

As part of our commitment to maintaining high educational standards, monthly induction testing and screening are conducted to recruit teachers who meet Cambridge criteria, ensuring excellence in teaching and learning outcomes.

INSIGHTFUL VALUE OBSERVATIONS STRENGTHEN TEACHING PRACTICES

Classroom observations conducted by the Value Department across FBS and FGS led to highly encouraging feedback from teachers. Their reflections highlighted meaningful progress and offered valuable insights that will further strengthen our shared mission of embedding value-based education within daily learning.

COLLABORATIVE MEETINGS REINFORCE VALUE INTEGRATION

The Value Department held productive meetings with subject teachers to deepen alignment on instructional approaches and value integration. These discussions helped refine teaching strategies, ensuring that values remain meaningfully embedded across subjects. We appreciate the continued commitment and collaboration of our academic teams.

CHARACTER EDUCATION ADVANCES THROUGH ENGAGING TRAINING & ACTIVITIES

Bi-monthly Character Education sessions continued to guide teachers with practical, student-centered approaches. Students displayed strong enthusiasm—especially during Financial Literacy lessons, where interactive role-play activities connected academic concepts with real-life experiences. This hands-on approach is helping build confident, mindful, and responsible learners.

NURTURING LOVE FOR IMAM-E-ZAMANA (A.J.T.F)

Every Friday, the Quran Department leads the Sadqa of Imam-e-Zamana (A.J.T.F) with Montessori students, helping young learners build a heartfelt spiritual connection. To reinforce daily remembrance, students were given a practice chart encouraging them to offer salutations each morning. They completed the charts with dedication and submitted them on the assigned date. As a gesture of appreciation, teachers prepared handmade motivational bands, inspiring students to make this beautiful practice a consistent part of their daily routine.

SPECIAL ASSEMBLY HONORING IMAM ZAIN-UL-ABIDEEN (A.S.)

A meaningful assembly was held to celebrate the birth anniversary of Imam Zain-ul-Abideen (A.S.). Montessori students presented a short introduction of the Imam and shared selected events from his noble life. Their participation reflected respect, understanding, and admiration for his exemplary character and teachings.

STRONG PERFORMANCE IN MID-TERM ASSESSMENTS

The Quran Department conducted its assessments during the Mid-Term Examination period at FMS, with students demonstrating steady progress and excellent results. Their performance highlighted consistent effort and a growing command of foundational Quranic learning.

ORAL POLIO DRIVE (FMS & DAY CARE)

An Oral Polio Drive was successfully carried out at FMS and Day Care, ensuring full vaccination coverage and adherence to health safety protocols.

PERSONAL HYGIENE SESSION – FGC

An interactive session on personal hygiene and menstrual health was held for FGC students, addressing their queries and promoting healthy habits.

COUNSELING & PSYCHOLOGY UPDATES

In October, the counseling and psychology teams at FMS and FBS continued regular classroom observations, new case intakes, and individual support sessions. Key focus areas included emotional literacy, adjustment, behavioral concerns, and peer relations. Coordination with teachers and parents remained consistent, while a group self-analysis activity at FBS helped students strengthen self-awareness and positive interaction. Despite space and workload challenges, both departments maintained steady progress and plan to enhance emotion-regulation activities and collaborative efforts in the coming month.
